

MESSAGE FROM THE PRINCIPAL

TERM 3, WEEK 2

Kia ora all

It's been a busy start to the term which has so far seen us hosting events such as the Zhoushan Middle School trip, our Year 6 roadshows and the Fuse Cup Esports tournament - and there's much more to come this term. Last week's parent teacher interviews ran well too. Please stay in contact with your child's classroom teacher or team leader to support your child's learning.

Change of Uniform Supplier

We have made the decision to change our school uniform provider. There will be no change to the actual uniform. Our new provider is NZ Uniforms and we are in the process of transitioning from The Uniform Shoppe to NZ Uniforms. You can continue to purchase uniform items at this point in time from The Uniform Shoppe. We will notify you when the new supplier takes over, as well as what their details are for location and ordering options.

Uniform Reminder

Showing pride in ourselves, our school and community is important to us and we ask that students wear their uniform correctly and have the correct items. There may be issues where students require an exemption and we can accommodate this. If so please send a note or contact your child's teacher. We do have a number of items that we can provide to support families, including black shoes and socks. Note: Birkenstocks/slides/slip on style footwear is not permitted unless with an exemption. Contact one of our Deputy Principals should an exemption be required. I appreciate they may be comfortable however this is for safety reasons.

Dental Bus

The Dental bus is rostered to be at Northcote Intermediate School from Tuesday 6th August until Friday 9th August to do dental treatment.

Students that are very over due will have examinations, preventive treatment and x-rays done.

They will be called from the classroom during school hours.

If parents do not want this to happen please ring the Dental Bus at school, phone number 021 680 707 or Glenfield Int Community Dental Clinic to let them know.

Free Youth Hub

Youthtown is offering a free youth hub for Northcote Intermediate students on Tuesdays and Thursdays after school. There will be transport available from school to our building. We are soon looking to expand the number of days available and offer to more schools in the very near future.

Our youth hub is an opportunity for students to create their own space in our purpose-built building and find opportunities that give them some success. Things such as starting some ongoing projects for themselves and the community to keep them busy, meet some new people, learn a new skill or participate in some team building activities and a whole lot more. To sign up or if you have any further questions about specific things we are planning, please contact Luke on northshore@youthtown.org.nz or 022 122 9635
